### **C - CONCOURS**

The vehicle and its components must be in a condition of original specification, free from blemishes, faults and wear. This condition will only apply to vehicles previously entered or being proposed for entry to concours competition and evidence of entry may be required.

## A1 - TOP CLASS

The vehicle must be in excellent condition with bodywork/chassis free from rust. The vehicle's components should be free from any but trivial faults and should work efficiently.

### **A2 - AVERAGE**

The vehicle should be in good working order, capable of regular use and satisfying an MOT Test requirement. The bodywork/chassis must be free of extensive rust and/or damage.

### A3 - SERVICEABLE

The vehicle must be in a roadworthy condition and be capable of satisfying an MOT Test requirement. A considerable amount of work may be required to make the vehicle condition A2 or better.
