Choosing the Right Levels of Cover

Adequate insurance for your circumstances

How much to insure for:

It is **your** responsibility to make sure that the amount **you** insure under **your** policy represents the full value of the property concerned. **You** will find these amounts ("sum assured") for which **you** are insured in **your schedule**.

For **buildings**, this means the full cost of rebuilding **your home** including fixtures and fittings, any outbuildings and external structures like walls and fences, plus an amount for any extra charges that would be involved in rebuilding such as demolition costs, architects' and surveyors' fees and meeting the requirements of local authorities. Please note that the cost of rebuilding your home may be different from the market value of **your home**.

For **contents** this means the full cost of replacing all **your** belongings within the **home** at current prices (apart from clothing and household linen, where a deduction may be made for wear and tear and loss in value). Any **valuables** worth over £1500 must be specified on the **schedule**.

For **personal effects** this means the full cost of replacing as new items that **you** could easily carry about on your person or be conveyed by hand, including **jewellery**, watches, mobile phones, laptop computers and handheld computer devices, handbags, clothing and other **personal effects**. Computer devices including laptops and other portable devices worth over £1500, which are temporarily removed from the **home** must be specified on the **schedule**.

It is important that **you** insure for the full amount as these 'sums insured' represent the maximum that will be paid in the event of a claim. If **you** have any doubt about the adequacy of the amount **you** are insured for under this policy **you** should take immediate steps to re-evaluate and contact **us** with instructions to amend **your** 'sums insured'.

Damage shown under the 'What is covered' part of:

- 'Insured events 1-15'; and
- 'Extra benefits included with buildings';

in section one: Buildings.

Settling claims

We will decide whether to pay the cost of repairing or replacing the part of **your buildings** damaged or destroyed if:

- the sum insured is enough to pay to rebuild **your buildings**;
- the repair or rebuilding is carried out immediately after **we** give **our** approval (other than emergency repairs, which should be carried out immediately); and
- **your buildings** are in a good state of repair.

If the loss or damage to **your buildings** is not repaired or replaced as **we** have explained above, **we** will then decide to pay either:

- the cost of repairing or replacing the damage, less a deduction for wear and tear; or
- the difference between the market value of **your home** immediately before the damage and its value after the damage.

We will not pay the cost of replacing any undamaged or unbroken item or parts of items forming part of a pair, set, suite or collection of the same type, colour or design if the damage happens to one particular area or to a specific part and replacements cannot be matched.

If **we** have discounted the premium for this section because **you** have not made any claims, **we** may reduce or remove the discount if **you** make a claim. The no claim discount is shown on the schedule.

Sum insured

The most **we** will pay under section one: Buildings is the sum insured shown on the schedule for **buildings** adjusted in line with index-linking, including the extra expenses and fees listed under Extra benefit 4 'Building fees and the cost of removing debris' in section one: Buildings.

Under-insurance

If at the time of any loss or damage the cost of rebuilding the whole of **your buildings**, in a new condition similar in size, shape and form, is more than the sum insured, **we** will pay only for the loss or damage in the same proportion.

For example, if the sum insured for **buildings** only covers two-thirds of the cost of rebuilding **your buildings**, **we** will only pay two-thirds of the claim.

Maintaining the sum insured

After **we** have settled a claim, **we** will maintain the sum insured for **buildings**, as long as **you** take any reasonable measures **we** suggest to prevent any further loss or damage. (**We** will not charge any extra premium for maintaining the sum insured for **buildings**.)

Index linking

The sum insured for **buildings** will be index-linked and will be adjusted in line with the changes in the House Rebuilding Cost Index produced by the Royal Institution of Chartered Surveyors or in line with any other index that **we** decide.

If **you** make a claim, index-linking will continue during the period when the repair or rebuilding is being carried out, as long as **you** take reasonable action for the repair or rebuilding to be carried out immediately.

We will not make a charge for index-linking during the **period of insurance**. However, each time **your** insurance is renewed, **we** will work out a new premium for the adjusted sum insured.

where **we** will take off an amount for wear and tear.

If **you** make a claim, the index-linking will continue during the period when the repair or replacement is being carried out, as long as **you** take reasonable action for the repair or replacement to be carried out immediately.

We will not make a charge for index-linking during the **period of insurance**. However, each time **your** insurance is renewed, **we** will work out a new premium for the adjusted sum insured.

Helpful hints

We recommend that **you** take simple precautions for your own safety to prevent accidents and reduce the likelihood of loss or damage. This could avoid distress and inconvenience as well as financial loss.

Fire prevention

- Do**
- Check **your** electrical equipment regularly, make certain that correct fuses are used and do not overload the circuits. Follow maker's instructions, particularly for electric blankets. Hire a competent electrician if **you** are in doubt.
 - Always unplug non-essential appliances before **you** go to bed at night especially electric blankets.
 - Be careful with cigarette ends, ashtrays and hot irons.
 - Install a suitable fire extinguisher. One should be placed in the kitchen.
 - Make sure that all open fires are properly guarded – even if they appear to be out – especially at night.
 - Have **your** chimney swept, and flues regularly checked, at least once a year (if **you** use open fires).
- Don't**
- Don't smoke in bed.
 - Don't move or fill oil heaters when they are alight.
 - Don't let children play with matches or fire.
 - Fires often occur in kitchens. Don't leave a pan of fat unattended on the cooker.

Water damage

- Insulate exposed water pipes and tanks in the roof area.
- Turn off the water supply and drain out the system if **you** leave the property empty in the winter months. Or leave the central heating on throughout the **home** to maintain a constant temperature of 15°C and consider leaving the loft access open so that warm air can move into the roof space. This will minimise the possibility of the pipes and tank freezing.
- If, despite **your** precautions, **your** pipes freeze, thaw them out slowly using hot water bottles or hair dryers. Never use a blowlamp or warm-air paint stripper gun.

Security

- Make sure **you** have good-quality locks (approved to British Standard) fitted to all of your external doors and all accessible windows.
- Use the door and window protections when **you** leave the **home** unattended – day or night – and remove the keys from the locks (including garage).
- Do not leave keys under the mat or inside the letterbox or anywhere else they can be found easily.
- Leave a light, on a timer, in a room other than the hall when **you** are out in the evening or overnight.
- Do not leave large sums of **money at home**.
- Do not leave valuable property in unattended vehicles.
- Photograph **your** valuables and keep copies of valuations and receipts. These are extremely helpful in the event of theft or loss, not only to **us** but also to the police.
- If **you** doubt the effectiveness of **your** existing door or window locks or bolts, please see the main security section.

When you go away on holiday

- Tell **your** local Neighbourhood Watch about **your** holiday.
- Stop newspaper and milk deliveries; do not advertise **your** absence.
- Place any valuables, which are not being carried or worn, in safe custody with a bank or other suitable deposit.
- Make certain that all doors and windows are closed and locked. If **you** have an alarm, make sure this is switched on.
- Leave **your** key with a trusted neighbour and ask them to look in and inspect **your home** occasionally.
